About me

The name's Haumea, a dwarf planet in the Kuiper Belt. I have two beautiful moons, Hi'iaka and Namaka. Call me Haumea, or 3.
Member of the Lesser Nine! Or as I like to call us, the BETTER Nine.

What I'm working on

You know what they say about the first three of the lesser 9...
First is the worst, third is the best (me). Second is the one that failed the test.

I assume that I might as well try to keep the few remaining shreds of my secrecy....while waiting for the temporal barrier that is 2 weeks to pass.

I will require the username of the person who created this vessel for you before I can accept this account as real.

about 11 hours ago

136108-Haumea

@50000-Quaoar Real? Ha. I am Haumea. To what extent could I even be fake? I exist of myself.

about 11 hours ago

50000-Quaoar

@136108-Haumea You know just as well as me we need someone else to create the vessel for us. So, who created it?

about 11 hours ago

136108-Haumea

@50000-Quaoar How do you know I wasn't just floating around
